Sir:

In response to the February 5, 2003 Office Communication issued in the above-referenced patent application, the errors listed on the attached Raw Sequence Listing Error Summary have been corrected. Enclosed are a corrected paper copy of the Sequence Listing and a corrected copy of the Sequence Listing in computer readable form (CRF). The diskette containing the Sequence Listing for this application in computer readable form (CRF) is submitted in compliance with 37 C.F.R. §§ 1.821-1.825. Applicants hereby certify that the information in computer readable form and the paper copy of the Sequence Listing is the same and includes no new matter. The enclosed corrected computer readable copy and paper copy of the Sequence Listing are believed to bring the Sequence Listing into full compliance with the sequence rules.
